CHARITY

This concert is in aid of Sing Inside, a charity that provides group singing workshops in prisons across England and Wales. These enable participants to enjoy singing with others free from

judgement or assessment, inspiring hope and confidence, and facilitating connection to others. Sing Inside was set up by a former member of Cadenza, and members of the group have remained active in the charity ever since.

During the COVID-19 pandemic, 85% of prisoners were locked up for more than 23 hours a day, and support services largely disappeared, creating a mental health time-bomb in an already overcrowded and underfunded system. Now more than ever, we'd be thrilled if you felt able to donate. To do this, either scan the code below, or visit singinside.org and follow the donation link at the top. There will also be a cash collection.
